March 2022 Newsletter

Volume 53, Number 3

Next Meeting

After a Covid related pause of two months, we will have a meeting again on March 19 at 10:00 am at the Hindu Temple. Please come and hear our member Dr. Charles Crenshaw talk about "A doctor's view of the impact of Covid 19". Although not a philatelic topic, I am sure, it will be interest to all of us in these challenging times. In person attendees are required to wear a face mask, unless speaking to the audience. If you cannot attend the meeting in person, please contact Vijay Vedala for the Zoom access information.

New Members

We will vote on the membership application of the Dande family from Louisville, KY.

We also will have a first hearing on a new membership application from Ms. Mary Blalock and daughter from Liberty, MS.

Donation received

Mr. Jim Pitts, a former active member of the JPS, has generously donated his stamp collection and related books to the benefit of the society. The collection consists of US and international stamps from the 1940ies to 2020ies in numerous zip lock bags and some topical collections (birds, automotive, dinosaurs etc) on cards and in stock books. We will begin with selling the books at our March 19 meeting and continue with auctioning off the stamps as we progress in organizing them in to auctionable lots.

March 19 Auction

We will have a good number of auction items lined up: Dinosaur and other plate blocks, US 1941 souvenir sheet, 1982 mint set, several US full sheets: US planes, endangered species, dinosaurs, US
